

How It Works: SAT[®]/ACT[®] Essentials

Reach your target score with no-cost resources from **Tutor.com/military**

Preparing for the SAT or ACT? Our self-paced resources, created by a team of test-prep experts from The Princeton Review[®], are available to you at no cost from **Tutor.com/military**!

1

Get started

Log in to your **Tutor.com/military** account, click on **Other Tools**, then select **Prep for the SAT/ACT**. From there, you can choose to start prepping for the SAT, ACT, or both.

5

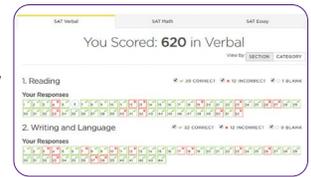

Get your score report

Once you've taken a practice test, you can view your full score report. You'll be able to see your overall score as well as what you scored for each section.

The **Areas of Focus**

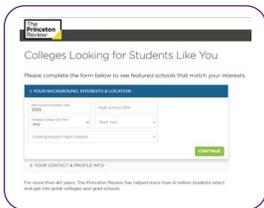

section at the bottom of the report will show your areas of strength and opportunities for improvement. Here, you'll also receive video lesson and practice drill recommendations personalized to your current needs.

2

Identify your dream schools

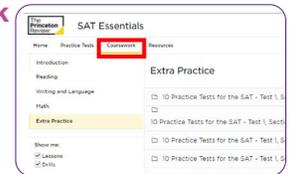

Use our **Target Schools College/Grad Planner** tool to research your best-fit schools and crucial topics like admissions stats, tuition and financial aid, and campus life. By finding schools that match your interests and aspirations, you'll be able to see the target scores that could help you earn admission and win merit-based aid.

6

Continue your practice with additional drills and lessons

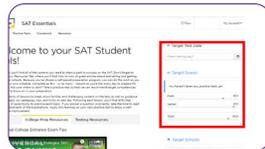

Click on the **Coursework** tab to find all our video lessons and practice drills for each core concept covered on the test.

3

Set your targets

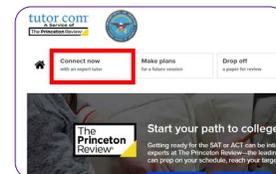

Set your **target test date** and your **target scores** on the home page. This will help you stay on track and moving toward your goal.

7

Connect with a live tutor

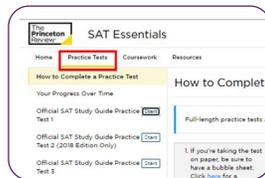

Use your **Tutor.com/military** account to maintain or improve your GPA with 1-to-1 subject tutoring. Click **Connect now with an expert tutor** to get help in a variety of subjects, including writing support to help you refine your college application and scholarship essays. To review your SAT or ACT practice tests with an expert tutor, select the SAT or ACT prep subjects from the topic drop-down menu.

4

Take practice tests

Click on the **Practice Tests** tab to take a full-length paper-and-pencil or online practice test. Use a timer like on the real test, or take it untimed to get a feel for what to expect. You can retake the test as many times as you'd like, and track your progress over time.

On the road to college and beyond, **Tutor.com/military** is with you every step of the way.
